Business Proposal by THINK FITNESS AND SPORTS

Greeting to you from THINK FITNESS AND SPORTS !

We would like to thank you for showing interest in **THINK FITNESS AND SPORTS** ! to automate your esteemed organization's marketing and sales activities.

As discussed, we are happy to share the Business Proposal here for your kind reference and guidance to proceed ahead.

THINK FITNESS AND SPORTS an ISO 9001:2015 Firm had Several years of experience in the Indian market, We provides you with the best quality of fitness products which helps you to lead a healthy lifestyle. Within a short span of time, we have reached a great height of more than 10,00,000 lakh customers and 1000+ gym installations in the World market.

We at **THINK FITNESS AND SPORTS** are distributing some of the world's best fitness equipment, that are sold and serviced in more than hundred countries. From hi-tech treadmills to ergonomic bikes, crosstrainers and gyms, our product range mirrors our dedication to provide products that standout in the crowded fitness market.

R&D : We have our own high technical team consisting of mechanical engineers, industrial stylists & biomechanic experts. Besides this, we have also hired international experts who continuously guide us in attaining higher standards.

Production Facility & Technology : World's most advanced manufacturing machines including the laser cutting machines from Germany, robot welding equipment from Japan, CNC mould making machines & latest spray painting technology is used to produce **THINK FITNESS AND SPORTS** cardio equipments. Excellent surface treatment technology ensures uniform quality and no rust to our equipment for lifetime.

Quality Inspection : Our factories strictly execute the ISO 9001 quality management system for maintaining high standards. We also follow strict standards for testing raw materials, welding precision & finish product testing for durability as per international standards. Never satisfied with the status, we are always trying to improve our product quality.

After Sales Service : We **THINK FITNESS AND SPORTS** have our after sales offices across the country with sufficient stock of spare parts & trained technicians.

From the first-timer to the hardcore excerciser, we know that all users have high expectations, so we spend significant time and resources asking them what they want and need. It's simply our way of letting the user know that we have their interests in mind every step of the way.

As a dominant supplier of cardio equipment, we **THINK FITNESS AND SPORTS** know that your facility is more than what kind of machines you offer. It's really about the experience you provide. That's why we're fully committed to working with our customers in order to help them offer their clientele a truly rewarding fitness environment. Whether it's a commercial fitness center, a hotel or university gym, or the workout space in a multi-housing complex, our one-on-one approach and speedy service coverage guarantees that we'll be there for you in every possible way.

We have a singular focus : THE USER

Our Vision : To establish **THINK FITNESS AND SPORTS** as a most preferred brand among fitness types of equipment by providing customers with better products best after sales service and thereby making them lead a healthy life.
